RE: AIRS Facility No. 777-00335, C. Wright Construction Company Inc., Portable  
Permit by Rule Registration – P-030068

Dear Mr. Wright:

On January 7, 2004, the Department of Environmental Quality (DEQ) received a Permit by Rule (PBR) registration from C. Wright Construction Company Inc. for a nonmetallic mineral processing plant. C. Wright Construction Company Inc. has registered the following information as required by IDAPA 58.01.01.797.02 *Rules for the Control of Air Pollution in Idaho*.

<u>EL-JAY 54" cone crusher</u>	<u>Cedarapids screen deck</u>
Serial No.: 494	Deck Size: 6' x 20'
Manufacturer Date: 1973	No. of Decks: 3
Capacity (T/hr): 300	Serial No.: 49084
	Manufacture Date: 1999

Owners and operators of nonmetallic mineral processing plants that opt for a PBR shall comply with all of the applicable provisions of IDAPA 58.01.01.795-799. Registration for a PBR does not relieve the owner or operator of portable equipment from the registration and relocation requirements of IDAPA 58.01.01.500. DEQ recommends that C. Wright Construction Company Inc. maintain this letter, the January 7, 2004, PBR registration, and all required monitoring and recordkeeping information at each site of operations.

Please be aware that C. Wright Construction Company Inc. is required to submit a portable equipment relocation form each time the plant, or any registered equipment, is moved to a new site of operations. This form is required to be submitted to DEQ ten days prior to relocating the equipment. A copy of the form is enclosed for your convenience.

C. Wright Construction Inc.
