Project Certification as required by the American Recovery and Reinvestment Act of 2009

The Director of the Idaho Department of Environmental Quality hereby certifies that the loan application for the City of American Falls DWSRF Loan #DW1010, has received full review and vetting required by law and the Department accepts full responsibility that the loan to the City of American Falls is an appropriate use of taxpayer funds pursuant to the American Recovery and Reinvestment Act (ARRA).

The loan to the City of American Falls is for water system improvements including: the upgrade of 5.5 miles of 6" deteriorated cast iron water line to 8" PVC water line, with the appropriate pressure/vacuum valves in an alignment that is more accessible; and, the repair of a leaking artesian well.

The project is estimated to cost a total of $3,280,000.
