Project Certification as required by the American Recovery and Reinvestment Act of 2009

The Director of the Idaho Department of Environmental Quality hereby certifies that the loan application for the City of Grace, DWSRF Loan #DW1007, has received full review and vetting required by law and the Department accepts full responsibility that the loan to the City of Grace is an appropriate use of taxpayer funds pursuant to the American Recovery and Reinvestment Act (ARRA).

The loan to the City of Grace is for water system improvements including replacement of the storage tank, obtaining additional supply to replace a failing source, and replacement of the distribution system.

The project is estimated to cost a total of $4,819,851 to be funded with ARRA monies.
