Project Certification as required by the American Recovery and Reinvestment Act of 2009

The Director of the Idaho Department of Environmental Quality hereby certifies that the loan application for the City of Kimberly, DWSRF Loan #DW1012, has received full review and vetting required by law and the Department accepts full responsibility that the loan to the City of Kimberly is an appropriate use of taxpayer funds pursuant to the American Recovery and Reinvestment Act (ARRA).

The loan to the City of Kimberly is for municipal drinking water system improvements including installation of water meters, stand by generators, water storage tanks; development of a well and well house; SCADA system upgrade; and distribution system improvements.

The project is estimated to cost a total of $6,543,350, of which $2,464,350 will be funded with ARRA monies.
