

Form 5-G
Sample Draft Finding of No Significant Impact (FONSI)

Date

To: *(Name of Borrower, All Interested Government Agencies, Public Groups and Individuals)*

Subject: *(Name of City/Sewer District) (Name of Project)* Environmental Determination

In accordance with the (“*Rules for Administration of Water Pollution Control Loans*” (IDAPA 58.01.12), and/or the “*Rules for Administration of Wastewater Treatment Facility Grants*” (IDAPA 58.01.04)), an environmental review has been performed and a finding of no significant impact (FONSI) is hereby issued by the Department of Environmental Quality (DEQ) on the proposed project below:

Project:

Location:

Project Loan/Grant Number:

Total Grant and/or Loan Project Cost:

Purpose of Project: The purpose of the proposed project is to *(briefly describe the purpose and need of the project)*.

Description of Project: *(Describe the construction activities that will be completed in relation to the purpose and need of the proposed project.)*

Direct and Indirect Impacts: *(Briefly indicate whether any environmentally sensitive elements such as flood plains, wetlands, historical sites, prime agricultural lands, or threatened or endangered species will be harmed by the proposed project and whether the impacts will be direct or indirect, short term, long term, cumulative, or beneficial. Briefly state mitigation measures that have been applied to offset the negative impacts. Insert standard mitigation language for some short term construction impacts. If beneficial impacts, add the following statement: “Overall, completion of the project will have long-term positive effects through <describe beneficial effects>.”)*

Finding: The review process did not indicate significant environmental impacts would result from the proposed action. Consequently, a preliminary decision has been made that an environmental impact statement does not need to be prepared for the proposed project. Instead, a FONSI is hereby issued by DEQ. This action is taken following a careful review of the planning document, environmental information document (EID), and supporting data.

Availability of Copies: Copies of the FONSI, EID and the *(planning document title)* and supporting documentation upon which it is based are available for public review on DEQ’s website at www.deq.idaho.gov/public-comment-opportunities or at the following locations:
