

IDAHO DEPARTMENT OF ENVIRONMENTAL QUALITY
REUSE PERMIT
M-0199-02 – Modification 1

Permittee Name: Rivervine Water & Sewer, LLC

Effective Date of this Modification: October 3, 2014

Complete Description of Modification

The purpose of this Minor Modification is to change the facility mailing address and phone and fax information, facility contact (responsible official) information, and add the definition of Responsible Official for Reuse Permit No. M-0199-02, due a change in the responsible official by the corporation.

1. Section 1. Abbreviations and Definitions, Page 4 of the Wastewater Reuse Permit, between QAPP and SU, add the following:

Responsible Official	<p>The facility contact person authorized by the permittee to communicate with DEQ on behalf of the permittee on any matter related to the permit, including without limitation, the authority to communicate with and receive notices from DEQ regarding notices of violation or non-compliance, permit violations, permit enforcement, and permit revocation.</p> <p>The Responsible Official is also responsible for providing written certification of permit application materials, annual report submittals, and other information submitted to DEQ as required by the permit. Any notice to or communication with the Responsible Official is considered a notice to or communication with the permittee. The Responsible Official may designate an Authorized Representative to act as the facility contact person for any of the activities or duties related to the permit, except signing and certifying the permit application, which must be done by the Responsible Official. The Authorized Representative shall act as the Responsible Official and shall bind the permittee as described in this definition.</p>
