

## Statewide FY2012 Drinking Water Planning Grant Priority List

Rank	Project	Rating Points	Reg. Office	DEQ Grant Amount	Project Description
1	Mission Creek Water Association	192	CRO	\$5,000	Facility plan addendum to address point of use filters for Uranium contamination and connecting a new well to the current system
2	Atlanta Water Association	142	BRO	\$5,000	Planning to bring system into compliance with surface water treatment requirements
3	Castle Mountain Creeks Owners' Association	135	BRO	\$16,400	Create plan on how to comply with the disinfection by-product rule, improve its distribution system, and evaluate source water
4	Arundel Mobile Home Park	132	CRO	\$15,000	Develop a facility plan to address the surface water contamination in their well
5	Whiskey Jack Owners Association	117	CRO	\$15,000	Facility plan to address arsenic contamination of the source water and distribution system deficiencies
6	Blackhawk Estates Homeowner's Association	115	IFRO	\$20,000	System needs to address storage deficiencies and miscellaneous legacy issues inherited from developer
7	Edgemere Owners Association	109	CRO	\$20,000	Facility plan to address arsenic contamination exceeding the MCL
8	Lynnwood Estates Water Association, Inc.	109	CRO	\$5,000	Facility plan to address arsenic contamination exceeding the MCL
9	North Kootenai Water District Rimrock System (4-S Ranch Project)	103	CRO	\$15,000	Environmental document to analyze the chosen alternative for replacing the failed well source
10	North Kootenai Water District - Chilco	93	CRO	\$3,750	Planning for a water line extension
11	Moore Water and Sewer Association	86	IFRO	\$20,000	System has insufficient storage and disinfection capabilities, additionally the wells are aging
12	Country Court Mobile Home Park	85	LRO	\$12,625	Owner needs to assess distribution system, well house, pumping, and source water
13	West Bonner Water and Sewer District	84	CRO	\$15,000	Addendum to the current facility plan to address options for storage tank replacement, transmission line replacement, and distribution system replacement
14	Alpine Meadows Water and Sewer District	82	CRO	\$17,500	Facility plan to address excessive water loss (56% loss), redundant source, and inadequate storage capacity
15	City of Minidoka	64	TFRO	\$15,000	Undertake planning to assess effort needed to meet new drinking water requirements
16	City of Homedale	60	BRO	\$26,000	Assess adequacy of system's distribution and create a plan for growth
17	City of Midvale	60	BRO	\$22,500	Plan for redundant supply and adequacy of distribution system
18	City of Franklin	59	PRO	\$30,000	Assess structural condition of existing storage capacity, analyze current use of city water supply, integrate population growth into system analyses, and assess need for additional source

19	City of Challis	59	IFRO	\$28,300	Plan to address deficiencies in pumping facilities, inadequate storage, distribution lines, and treatment facilities
20	City of St. Maries	55	CRO	\$28,000	Plan to enhance treatment for lead and copper
21	City of Riggins	55	LRO	\$42,500	City needs to increase storage, improve supply and upgrade distribution piping
22	City of Burley	53	TFRO	\$42,500	Assess need for redundant supply, evaluate secondary contaminant issues, low water pressure problems, and updating of dated components
23	City of Plummer	53	CRO	\$27,468	Facility plan to address declining well production, undersized water mains, lack of storage and pressure issues during peak usage
24	City of Glenns Ferry	50	BRO	\$42,500	Assess state of entire drinking water system and alternatives for general improvements
25	City of Wilder	50	BRO	\$42,500	Plan for increased capacity, system reliability, and improvements to water pressure
26	City of Ririe	49	IFRO	\$25,000	Assess status of distribution system and improve source water reliability
27	City of Rupert	48	TFRO	\$40,000	Assess system's ability to meet source redundancy, aging components, inadequate distribution, and storage capacities
28	City of Spirit Lake	45	CRO	\$15,000	Facility plan to address corrosiveness in 3 of their 4 wells through either treatment or an alternate source
29	City of Hansen	44	TFRO	\$30,000	Update existing facility plan and assess distribution system, storage capabilities, failed source, and aging pumps
30	City of Gooding	39	TFRO	\$20,000	Complete a facility plan and assess distribution system, storage capabilities, source, and treatment
31	City of Clark Fork	38	CRO	\$21,250	Develop a facility plan to address corrosion control, excessively leaking waterlines and deadend mains
32	City of Murtaugh	35	TFRO	\$35,000	Assess need for distribution line and pump repairs
33	City of Hazelton	35	TFRO	\$35,000	Assess system's ability to meet inadequate distribution, supply, and storage capabilities
34	City of Jerome	35	TFRO	\$30,000	Need to assess adequacy of valves, distribution system, and source water
35	City of Hagerman	34	TFRO	\$35,000	Assess system's ability to meet inadequate distribution, supply, and storage capabilities
36	Onaway Water and Sewer Association	31	LRO	\$25,000	Prepare facility plan
37	City of Rigby	30	IFRO	\$30,000	System needs to plan for addressing storage, distribution, pumping and treatment deficiencies
38	City of Sugar City	30	IFRO	\$25,000	City needs to plan for growth
39	Rose Lake Water Association	25	CRO	\$22,500	Facility Plan to address iron and possibly arsenic in their backup well so that it can be brought online as a second source
40	City of Menan	25	IFRO	\$15,000	System needs to plan for addressing storage, distribution, pumping, and treatment deficiencies
41	Rogerson Water District	20	TFRO	\$15,000	Assess need for distribution, storage tank, and pump repairs
42	City of Wendell	19	TFRO	\$12,500	Assess needs for growth and improvements to distribution, source, and storage systems

43	City of Cascade	17	BRO	\$24,000	Assess needs for distribution system improvements, create redundant sources, and plan for growth
----	-----------------	----	-----	----------	--

**WARNING: USE OF THIS LIST AS A MAILING LIST OR AS A TELEPHONE NUMBER LIST IS PROHIBITED BY IDAHO CODE SECTION 9-348 AND IS PUNISHABLE BY A CIVIL PENALTY OF UP TO \$1,000.**
