Lewisville, Idaho 83431

RE: Idaho Fresh Pak, Inc., Plant No. 1 (Lewisville), Appendix "B" Permit Modification to Wastewater Land Application Permit No. LA-000011-04 (Industrial Wastewater).

Dear Mr. Scott:

As you correctly pointed out in your October 27, 2004 letter to me, the permit referenced above contains an error in the sampling frequency for the monitoring wells and domestic municipal wells specified in Table E-1, page 13, of the permit. The permit incorrectly specified a monitoring frequency of "May of 2004 and 2007 only." We are issuing the following Wastewater Land Application Permit Modification. The monitoring frequency specified in rows 4 and 5 of Table E-1, page 13, of the permit are hereby modified to state the following:

Frequency	Monitoring Point	Description and Type of Monitoring	Parameters
May of 2005 and 2008 only	Groundwater Monitoring Wells listed in Appendix 1	Grab sample of groundwater (See note 7)	Sodium, Potassium, Calcium, Magnesium, Carbonate, Bicarbonate
May of 2005 and 2008 only	Domestic and municipal wells within ¼ mile of all land application acreage	Grab sample from domestic and municipal wells (with well owner's permission. See note no. 10)	Specific Conductivity, Total Dissolved Solids (TDS), Nitrate Nitrogen, Total Phosphorus, Chloride, Sulfate, Total Iron, Dissolved Iron ² , Total Manganese, Dissolved Manganese ² , Sodium, Potassium, Calcium, Magnesium, Carbonate, Bicarbonate

IFRO

This letter is your official copy of the permit modification and demonstrates that you are authorized to operate the wastewater land application facility subject to certain specified

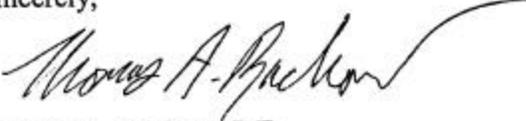

28109

requirements. It is also an official part of Permit No. LA-000011-04. It is mandatory that this appendix be attached to the permit for the permit to be both complete and official.

The effective date of Appendix "B" is November 5, 2004.

Sincerely,

A handwritten signature in cursive script, appearing to read "Thomas A. Rackow". The signature is written in black ink and is positioned above the typed name.

Thomas A. Rackow, P.E.
