1. BACKGROUND

As deemed appropriate by the Director, the Idaho Department of Environmental Quality (DEQ) provided for public comment the proposed revision to Permit to Construct P-2007.0073 for J. R. Simplot Company located in Caldwell, Idaho.

DEQ provided the comment period from July 31, 2007 through August 29, 2007. Comments were provided via US Mail. Each comment and DEQ's Response is provided in the following section. Comment with a common theme have been grouped together as one comment and responded to as one comment. All comments submitted in response to DEQ's proposed action are included as the appendix of this document.

2. PUBLIC COMMENT AND RESPONSES

Public comments regarding the permit analysis and air quality aspects of the proposed permit are summarized below. Due to the similarity of many of the comments received, the summary presented below combines and/or paraphrases some comments in order to eliminate duplication and to provide a more concise summary. Questions, comments, and/or suggestions received during the comment period that did not relate to the air quality aspects of the permit application, the Department's technical analysis, or the proposed permit are not addressed.
