

From E-mail:

Pend Oreille River TMDL Watershed Advisory Group and interested parties,

The WAG meeting that was tentatively scheduled for September 28 is a GO!

Please mark your calendar for next Friday, September 28, from 1:00 - 4:00 p.m. We will meet at the University of Idaho/Bonner Extension Service Office (same site as the June and August WAG meetings) located at the Bonner County Fairgrounds in Sandpoint. The meeting room has a phone line available, so if anyone needs to call in, please let me know and we will set up a conference call line.

Agenda items will include:

- 1) Status report on modeling situation and progress on TMDL issues
- 2) Q & A; group discussion
- 3) Next steps
- 4) Confirm October meeting date for Tetra Tech to present TMDL
