

WORKSHOP

Managing your riverside property: Invasive weeds, Native trees and shrubs, & Tour of bank stabilization site

June 30, 2011

1-4 pm

North Fork Coeur d'Alene River

This workshop is presented by the Department of Environmental Quality (DEQ), Benewah Soil and Water Conservation District and the North Fork Coeur d'Alene River Watershed Advisory Group.

The workshop will cover:

- Tour of bank stabilization and riparian planting site
- Identification and management of invasive weeds
- Planting native trees and shrubs (*take home a free tree!*)

Our goal is to provide you with the information you need to successfully manage plants near streams. This workshop is *free* and open to the public. To reserve your spot, please call (208) 666-4633.
