RE: Facility ID No. 027-00059, J R Simplot Company, Nampa  
Emission Reduction Credits Certificate of Ownership

Dear Mr. Gallegos:

The Idaho Department of Environmental Quality (DEQ) has processed your October 15, 2015 request for Emission Reduction Credits (ERCs) in accordance with IDAPA 58.01.01.460 and 461. DEQ has determined your request has fulfilled the requirements to bank the requested ERCs. DEQ is canceling Permit to Construct P-2012.0036 issued February 4, 2013 for the Nampa Plant which includes the emission units that are the source of the ERCs. The following table lists the ERCs that are banked and serves as J R Simplot Company's Certificate of Ownership.

Emission Reduction Credits				
NOx T/yr	CO T/yr	SO2 T/yr	PM <sub>10</sub> /PM <sub>2.5</sub> T/yr	VOC T/yr
11.8	15.7	0.1	45.6	34.7

Any use of the banked ERCs shall be in accordance with the Rules, including adjustments made by the Department if at any time the Department finds that the actual reduction in emissions differs from that in the certificate of ownership in accordance with IDAPA 58.01.01.461.04.

Should you have any questions about this Certificate of Ownership for the ERCs listed above, please contact Dan Pitman at (208) 373-0502 or [daniel.pitman@deq.idaho.gov](mailto:daniel.pitman@deq.idaho.gov).

Sincerely,

Mike Simon  
Stationary Source Program Manager  
Air Quality Division
