11:00 am – 11:45 am	Wrap up and identify action items and next steps, Cyndi Grafe, EPA Idaho Operations Office

End of Western States Source Water Protection Forum

Optional Training: Guidelines for Investigating Potential Ground Water Quality Impacts from Oil and Gas Production

October 25th from 1:00- 5:00 pm (Following the forum)

There will be an additional workshop on Thursday, October 25, from 1:30 to 5:00 p.m. following the forum. The workshop will identify guidelines for investigating potential ground water impacts from oil and gas production. It will be presented by Paul Jehn from the Ground Water Protection Council and is free of charge. You can register for the optional training when you register for the forum.
