**IDAHO CODE SECTION 39-107D STATEMENT:** Section 585, Toxic Air Pollutants Non-Carcinogenic Increments, and Section 586, Toxic Air Pollutants Carcinogenic Increments, do regulate an activity not regulated by the federal government. The federal government does not regulate toxic air pollutants for the state of Idaho; therefore, the rule revisions in Sections 585 and 586 are not broader in scope or more stringent than federal regulations. Notably, if a toxic air pollutant becomes subject to a federal regulation, that federal regulation applies in lieu of the state rules in accordance with Subsection 210.20. The remainder of the rule does not regulate an activity not regulated by the federal government, nor is it broader in scope or more stringent than federal regulations.

**FISCAL IMPACT STATEMENT:** The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year when the pending rule will become effective: Not applicable.
