

2013 Idaho Water Reuse Conference

May 15 & 16, The Riverside Hotel, Boise, Idaho

Vendor and Sponsorship Information

Thank you for your interest in the 2013 Idaho Water Reuse Conference. We have exceptional presenters this year and are especially excited this year to bring you a unique sewer history exhibit along with Jon Schladweiler, Historian, "Tracking Down the Roots of our Sanitary Sewers."

Over the past nine years, the conference has grown to over 200 participants, attracting wastewater operators, engineers, public works directors, consultants, developers, attorneys, environmental advocates and other strategic partners involved with water reuse projects. The Water Reuse Planning Committee invites you to become an exhibitor or sponsor. Becoming an exhibitor or sponsor is an excellent way to promote your organization. For more information, please see the conference website at:

<http://www.deq.idaho.gov/2013-water-reuse-conference>

Vendor Exhibit Tables

The vendor exhibit tables are a central part of the conference. They provide an opportunity for attendees to interact face-to-face with key stakeholders to discuss issues related to water reuse in Idaho and the West.

Tables include one complimentary full conference registration (includes four meals). Vendors are encouraged to offer door prizes, raffles, or contests to table visitors. Tables are \$400 each, and \$450 after May 1. The space includes a 6-foot draped table; and there may be additional room for displaying your information or equipment.

Conference Sponsorship

Becoming a sponsor is an excellent way to promote your organization and show your support for the 2013 Water Reuse Conference.
