RE: PTC Application Withdrawal Acknowledgement, P-2012.0022 PROJ 61033,
Waste-to-Energy Project at Hidden Hollow Landfill
Facility ID No. 001-00252, Dynamis Energy, LLC, Boise

Dear Mr. Mahaffey:

On February 19, 2013, the Department of Environmental Quality (DEQ) received a request to withdraw the Permit to Construct (PTC) application submitted on April 25, 2012 from Dynamis Energy, LLC for a waste-to-energy project to be located in Boise.

Based on your request, DEQ hereby terminates the processing of PTC No. P-2012.0022 PROJ 61033 for this project.

If you have any questions about this project or the permitting process, please contact Morrie Lewis, Air Quality Permit Writer at (208) 373-0502 or Morrie.Lewis@deq.idaho.gov.

Sincerely,

A handwritten signature in black ink that reads "Mike Simon".

Mike Simon
Stationary Source Manager
Air Quality Division
