

REVISIONS TO PROPOSED RULE, DOCKET NO. 58-0116-0801

The revisions made to the proposed rule are highlighted. Only those portions of the proposed rule containing revisions are included.

010. DEFINITIONS.

For the purpose of the rules contained in IDAPA 58.01.16, "Wastewater Rules," the following definitions apply:
(4-11-06)

68. Reasonably Accessible. The following criteria shall be used to determine whether a project proposing a new private municipal wastewater treatment plant, or a material modification or expansion of an existing private municipal wastewater treatment plant, is reasonably accessible to a public municipal wastewater collection system. ()

a. For an existing private municipal wastewater treatment plant, reasonably accessible means the public municipal wastewater collection system becomes located within a minimum of one thousand (1,000) feet of any portion of the discharge piping of a private municipal wastewater treatment plant, and the owner of the public municipal wastewater collection system will provide a "will serve" letter. ()

b. For a proposed project which includes a new private municipal wastewater treatment plant, reasonably accessible means the public municipal wastewater collection system is located within a minimum of one thousand (1,000) feet of any portion of the proposed development or existing development property boundary, and the owner of the public municipal wastewater collection system will provide a "will serve" letter. ()

c. The Department may determine that a private municipal wastewater treatment plant may be reasonably accessible to the public municipal wastewater collection system at distances greater than those distances specified in Paragraphs a. or b. of this Subsection based on site-specific factors. ()
