

Statewide FY2010 Drinking Water Planning Grant Priority List

Rank	Project	Rating Points	Reg. Office	DEQ Est Grant Amount	Project Description
1	City of Ashton	116	IFRO	\$25,000	City needs treatment improvements and capacity upgrades
2	Fernwood Water and Sewer District	97	CRO	\$15,000	Source protection measures
3	Hampton Homes Homeowners Assoc.	91	BRO	\$3,750	Point-of-use
4	Castle Mountain Creek	86	BRO	\$20,000	Surface water treatment and distribution
5	City of Arco	81	IFRO	\$25,000	City needs to correct pressure problems
6	Evergreen Terrace Water Association	76	CRO	\$12,500	Need to drill a new well, upgrade their storage and improve treatment
7	City of Melba	72	BRO	\$20,000	Supply improvements
8	Meridian Heights Water and Sewer Assoc.	71	BRO	\$12,500	Connection to City of Meridian
9	Country Acres	71	BRO	\$5,000	Need to amend current facility plan to add NEPA document
10	Maverick Water Corporation	71	BRO	\$5,000	Need to amend current facility plan to add NEPA document
11	Santa Water and Sewer District	69	CRO	\$15,000	Need to procure new well pump, install disinfection, replace old lines and install a well house
12	City of Bennington	64	PRO	\$12,500	Study option to deal with elevated nitrates in well #1, possibly reinstate Spring #2 as source and install additional treatment and storage
13	City of Fairfield	62	TFRO	\$10,000	Improve supply, add booster station and make distribution modifications
14	City of Huetter	59	CRO	\$7,500	Facility plan to address need for back-up water source, additional storage, the capacity for fire flow and distribution system improvements
15	City of Kuna	59	BRO	\$7,500	Improve storage, supply and distribution
16	City of Council	57	BRO	\$37,500	Bacteriological violations, facility updates, storage and meters
17	North Tomer Butte Water and Sewer District	57	LRO	\$10,000	The District needs to establish whether or not there is a need for additional supply or enhanced treatment
18	City of Heyburn	54	TFRO	\$12,500	Additional source and make storage and distribution modifications

Statewide FY2010 Drinking Water Planning Grant Priority List

Rank	Project	Rating Points	Reg. Office	DEQ Est Grant Amount	Project Description
19	City of Dietrich	50	TFRO	\$25,000	Improve supply, add booster station and make distribution modifications
20	City of St Maries	50	CRO	\$30,000	Plans to install a corrosion control system
21	Valley View Water District	49	LRO	\$10,000	Complete study identifying arsenic issues
22	City of Payette	48	BRO	\$25,000	Distribution improvements
23	City of Wendell	47	TFRO	\$30,000	Well and booster improvements, disinfection and separate pressure irrigation system
24	Panhandle Mobile Estates	47	CRO	\$7,500	Master plan to address upsizing all the water mains, add a booster pump system and address pressure and electrical concerns
25	North Kootenai Water District - Rimrock	44	CRO	\$20,000	Inadequate source capacity and possible need to treat groundwater
26	City of Midvale	39	BRO	\$15,000	Need comprehensive refurbishment of system and treatment improvements
27	Bear Lake Sands Subdivision	35	PRO	\$15,000	Study needed improvements to the system including replacement of the distribution system, service meters, and a back-up water source
28	City of Kimberly	34	TFRO	\$15,000	Additional supply, storage, booster station and distribution modifications and meters
29	City of Burley	34	TFRO	\$35,000	Larger distribution lines are needed
30	City of Notus	32	BRO	\$35,000	Facility plan to address compliance issues and system upgrades
31	Cabinet Mountain Water District	31	CRO	\$12,500	Develop a facility plan to address the lack of water pressure and to create fire flow capabilities
32	Leisure Heights Homeowners Association	31	BRO	\$20,000	The community needs to treat for arsenic and make source and distribution system modifications
33	City of Glens Ferry	30	BRO	\$42,500	The City's water system is in need of general updating, refurbishment and renovation
34	City of New Meadows	29	BRO	\$12,500	Amendment of facility plan to address capacity issues
35	North Kootenai Water District	28	CRO	\$62,500	Need distribution repairs and storage improvements

Statewide FY2010 Drinking Water Planning Grant Priority List

Rank	Project	Rating Points	Reg. Office	DEQ Est Grant Amount	Project Description
36	City of Ririe	27	IFRO	\$20,000	City needs back-up power supply and additional water supply
37	Hidden Valley Addition Water Association	27	CRO	\$1,500	Upgrade treatment, assess storage needs, well abandonments and improve distribution
38	City of Rockland	23	PRO	\$25,000	Proactive effort to facilitate local planning
39	Hulen Meadows Subdivision	21	TFRO	\$30,000	Make distribution system modifications
40	City of Hailey	21	TFRO	\$75,000	Address pressure differences
41	City of McCall	21	BRO	\$70,000	Change treatment methodology, upgrade distribution lines
42	City of Crouch	21	BRO	\$30,000	Plan for new district
43	Wilderlea	21	LRO	\$7,500	Replace water storage reservoir, abandon old well, new well house, extend well casing
44	City of Riggins	20	LRO	\$52,038	Need to prepare facility plan to address future needs
45	Dalton Water Association, Inc.	20	CRO	\$12,500	Upgrade the existing 4" lines to 8" lines to improve water flow and provide adequate fire protection
46	City of Harrison	20	CRO	\$22,600	Facility plan to address the diminishing water supply and turbidity issues in the system's primary well

51	City of Idaho Falls	16	IFRO	\$50,000	City wants to, in general, update their existing plan
52	City of Hagerman	15	TFRO	\$25,000	Improve storage, add booster station and make distribution modifications
53	City of Weiser	15	BRO	\$10,000	Upgrades to distribution system
54	City of Hansen	14	TFRO	\$12,000	Improve water supply and storage, install conservation measures
55	Southside Water and Sewer	14	CRO	\$25,000	Storage tank at risk for failing and address growth
56	City of Wilder	13	BRO	\$40,000	City needs additional capacity

Statewide FY2010 Drinking Water Planning Grant Priority List

Rank	Project	Rating Points	Reg. Office	DEQ Est Grant Amount	Project Description
57	City of Moscow	10	LRO	\$100,000	Investigation of utilizing surface water
58	City of Mountain Home	10	BRO	\$30,000	Facility plan to address facility, storage and supply needs

*Note: Projects with an asterisk in the "Rank" column are carried over from fiscal year's 2008 list. These communities had began the loan process during fiscal year 2008; however, the loan process was not completed during the same fiscal year and so the projects were carried forward. The number following the asterisk is the entity's ranking on the FY 2009 Priority List.

WARNING: USE OF THIS LIST AS A MAILING LIST OR AS A TELEPHONE NUMBER LIST IS PROHIBITED BY IDAHO CODE SECTION 9-348 AND IS PUNISHABLE BY A CIVIL PENALTY OF UP TO \$1,000.
