

## Statewide FY2010 Wastewater Planning Grant Priority List

<b>Rank</b>	<b>Project</b>	<b>Rating Points</b>	<b>Reg. Office</b>	<b>DEQ Est Grant Amount</b>	<b>Project Description</b>
1	Elk Bend Sewer District	44	IFRO	\$15,000	The District has a failing subsurface disposal system and a need for enhanced treatment
2	City of Rigby	42	IFRO	\$37,500	The City needs to investigate infiltration and inflow potential in its dated collection system
3	Santa Water and Sewer District	29	CRO	\$12,500	Facility plan to address the lack of capacity and the severe inflow issues (EPA is currently issuing a non-compliance report)
4	Fernwood Water and Sewer District	29	CRO	\$12,500	Facility plan to address the lack of capacity and the severe inflow issues (EPA is currently issuing a non-compliance report)
5	Timberline Schools	29	LRO	\$6,000	The system releases too much nitrogen, ammonia and solid material into Grasshopper Creek
6	City of Kendrick	29	LRO	\$25,000	The City needs to improve its treatment methods
7	City of Kamiah	26	LRO	\$10,000	Identify system deficiencies, especially infiltration and inflow
8	City of Montpelier	24	PRO	\$25,000	The City needs to improve its treatment methods
9	East Bear Lake Regional Wastewater System	24	PRO	\$60,000	The community wants to investigate the need to switch from septic systems to central collection/treatment
10	Ellisport Bay Sewer District	23	CRO	\$25,000	Facility plan to extend sewer lines to the unsewered portions of the District
11	City of Marsing	23	BRO	\$35,000	Compliance with permit limits, treatment capacity issues and infiltration/inflow problems
12	City of Harrison	22	CRO	\$24,100	Facility Plan to develop options for upgrading and/or repairing the treatment plant
13	City of Council	20	BRO	\$37,500	Capacity issues and discharge permit violations
14	City of Ammon	19	IFRO	\$75,000	The City needs to update its dated facility plan for its collection system
15	Iona-Bonneville Sewer District	18	IFRO	\$75,000	The District needs to investigate infiltration and inflow potential in its dated collection system
16	City of Bonners Ferry	18	CRO	\$52,230	Planning is needed to address the need for improved treatment and collection systems
17	Meridian Heights Water & Sewer Association	18	BRO	\$12,500	Reuse permit violations
18	City of McCall	17	BRO	\$30,000	The City needs to update its existing facility plan

## Statewide FY2010 Wastewater Planning Grant Priority List

<b>Rank</b>	<b>Project</b>	<b>Rating Points</b>	<b>Reg. Office</b>	<b>DEQ Est Grant Amount</b>	<b>Project Description</b>
19	City of Huetter	16	CRO	\$7,500	Facility plan to protect the Rathdrum Prairie aquifer from further degradation (all residences are currently on individual septic systems)
20	City of Cambridge	16	BRO	\$37,500	Discharge permit violations require that the city improve its treatment methods
21	City of Richfield	15	TFRO	\$20,000	Upgrades to the collection and treatment system
22	City of Mountain Home	15	BRO	\$42,500	The City is planning for land application
23	City of Hansen	14	TFRO	\$35,000	City needs to upgrade its treatment system to meet permit limits
24	City of Castleford	14	TFRO	\$15,000	The lagoons are unlined and may be leaking, the City wants to use the planning grant to investigate the issue and develop a solution (as needed)
25	Carlin Bay Property Owners Assoc.	14	CRO	\$7,500	Facility plan to evaluate the options for an unlined lagoon, infiltration issues and the advanced age of the system
26	City of Midvale	14	BRO	\$20,000	The City needs to move from a total reliance on individual septic tanks
27	City of Greenleaf	14	BRO	\$15,000	The City needs to revise its existing facility plan to consider phasing and smaller growth projections
28	City of Horseshoe Bend	13	BRO	\$20,000	Discharge permit violations and phosphorous concerns
29	City of Kimberly	12	TFRO	\$30,000	Meet emerging treatment needs
30	City of Hagerman	12	TFRO	\$30,000	Adapt to new growth and to meet permit requirements
31	City of New Plymouth	11	BRO	\$50,000	Discharge permit violations require that the city improve its treatment methods
32	City of Glens Ferry	11	BRO	\$45,000	The City needs to improve its collection system
33	City of Worley	10	CRO	\$25,000	Facility plan to address infiltration and inflow issues, to address permit violations and to repair or replace the deteriorated sewer mains
34	City of Meridian	10	BRO	\$50,000	The City needs to improve its treatment of discharged wastes
35	City of Rupert	8	TFRO	\$32,500	The City needs to plan for collection system improvements
36	Hayden Area Regional Sewer Board	7	CRO	\$75,000	Board needs to conduct planning to consider how to incorporate tertiary treatment
37	City of Dubois	6	IFRO	\$50,000	The City needs to investigate infiltration and inflow potential in its dated collection system

## Statewide FY2010 Wastewater Planning Grant Priority List

Rank	Project	Rating Points	Reg. Office	DEQ Est Grant Amount	Project Description
38	City of Homedale	6	BRO	\$30,500	The City needs to update its existing facility plan (written in 2006)
39	City of Idaho City	6	BRO	\$31,000	The City needs to update its existing facility plan (written in 1986)
40	Payette Lakes Recreational Sewer & Water District	6	BRO	\$125,000	Regional planning for future treatment and capacity needs
41	Bruneau Water & Sewer District	6	BRO	\$25,000	Capacity and lagoon seepage issues
42	City of Notus	6	BRO	\$37,500	The City wants to consider a regional approach and address the need for improved treatment
43	City of Weiser	6	BRO	\$75,000	The City wants to consider a regional approach and address the need for improved treatment
44	Star Sewer and Water District	6	BRO	\$25,000	The City wants to plan for future treatment requirements
