Re: Minor permit modification to the City of Menan reuse permit LA-000066-03.

Dear Mayor Day and Mr. Williams:

The DEQ is issuing the enclosed permit minor modification which allows the City of Menan to submit their annual report for the calendar year (January 31 thru December 31), instead of the previous annual report requirement of November 1 to October 31.

The permit modification is designated as 'minor' according to IDAPA 58.01.17 – *Recycled Water Rules*:

If a permit modification satisfies the criteria for "minor modifications," the permit may be modified without issuance of a draft permit or public review. Minor modifications are normally limited to:

c. A change in monitoring or reporting frequency requirements, or revision of a laboratory method;

Please be aware of the existing permit expiration date of March 10, 2017.

If you have any questions, or if I can be of any assistance, please call me at 208-528-2650.

Sincerely,
