

Lower Clark Fork River Watershed Advisory Group Meeting
DRAFT AGENDA
April 6, 2006
1:30- 4:30 pm
Bonner County Extension Office, Sandpoint
4205 N. Boyer Ave.

- Presentation and discussion of Sediment Targets and draft TMDLs for Lightning Creek drainages (this will take majority of the meeting)
- Break
- Review of comments received to date and changes to the Temperature TMDLs with WAG discussion
- Review of comments and updates to Metals TMDL (pending interested parties attendance at the meeting, we may postpone this item until the next WAG meeting)
- Schedule future meetings and public review schedule/ideas/WAG approval procedures

Note: Revised "final" draft of Subbasin Assessment (SBA) and Temperature TMDLs will be posted on the web-site Tuesday, April 4, and hard copies will be available at the WAG meeting.

**Note if you need copies of any of the documents or presentations from past meetings, they are available by request or on the internet at:*
