Subject: The Amalgamated Sugar Company LLC Reuse Permit I-063-03 Permit Modification 2  
Minor Modification, Due Date Extension for CA-063-02

Dear Mr. Erickson:

On December 31, 2014 the Department of Environmental Quality (DEQ) received a request from The Amalgamated Sugar Company LLC to extend the due date of Compliance Activity CA-063-02 to 30 days following approval of Compliance Activity CA-063-01. The reason for the request was that additional time was needed to finalize the Monitoring Well Network Analysis that is required by CA-063-01. It is necessary to complete this analysis before the Ground Water Study Plan, as required by CA-063-02, can be completed.

DEQ agrees that it is acceptable and necessary to extend the due date of this compliance activity. With issuance of the attached minor modification, CA-063-02 will now be due 30 days following DEQ's approval of the Monitoring Well Network Analysis required by CA-063-01.

If you have any questions or need further information, please contact Valerie Greear at (208) 373-0459 or [valerie.greear@deq.idaho.gov](mailto:valerie.greear@deq.idaho.gov).

Sincerely,
