Licensed Operating Personnel:

As the owner of the public wastewater system identified above, I understand it is my responsibility to employ, retain, or appoint operating personnel holding current licenses to make system control or system integrity decisions about water quantity or quality that may affect public health.

All operating personnel hold current licenses Yes No

If YES, list all operators by name and license number on back of this form.

If NO, explain on back of form.

Reuse (Land Application) Licensed Operators:

At least one operator at Reuse (Land Application) systems must hold a current Reuse license (IDAPA 58.01.16.203.07). This operator may be different from the treatment RCOs and SRCOs. Please list below and continue on reverse, as necessary.

Reuse (Land Application) Operator: _____ Reuse (Land Application) License Number : _____

Responsible Charge Operator:

As the owner of the public wastewater system identified above, I understand it is my responsibility to designate from among the currently licensed system operators, one or more Responsible Charge Operator(s) (RCO), depending on the size and nature of system, to directly supervise the performance of operations and employees on a daily basis at such times the system is in operation. I agree the designated RCO will be licensed at a class equal to or greater than the classification of the wastewater system. I further agree that if designating the same individual to be the RCO of both a treatment and a collection system, that the individual will hold two (2) current licenses, one for treatment and one for collection. Very small wastewater system RCO's and SRCO's must hold a very small wastewater license. I have designated the following individual(s) as the RCO. If more than one RCO, identify by name, date became RCO, & license number on the back of this form.
