

**Department of Environmental Quality  
Rules Regulating the Idaho Pollutant Elimination Discharge System Program  
IDAPA 58.01.25**

**Docket No. 58-0125-1701**

**Negotiated Rulemaking Summary  
Idaho Code § 67-5220(3)(f)**

This rulemaking has been initiated to ensure that the IPDES rules remain consistent with federal regulations.

The Notice of Negotiated Rulemaking was published in the May 2017 issue of the Idaho Administrative Bulletin and a preliminary draft rule was made available for public review. Meetings were held on May 25 and July 11, 2017. Key information was posted on the DEQ rulemaking web page and distributed to the public. Members of the public participated in the negotiated rulemaking process by attending the meetings and by submitting written comments.

All comments received during the negotiated rulemaking process were considered by DEQ when making decisions regarding development of the rule. At the conclusion of the negotiated rulemaking process, no issues were left unresolved and DEQ formatted the final draft for publication as a proposed rule in the Idaho Administrative Bulletin. The negotiated rulemaking record, which includes the negotiated rule drafts, written public comments, and documents distributed during the negotiated rulemaking process, is available at [www.deq.idaho.gov/58-0125-1701](http://www.deq.idaho.gov/58-0125-1701).
