

November 16, 2017 Meeting of the Idaho Board of Environmental Quality
Agenda Item #4

Water Quality Standards, Docket No. 58-0102-1502

I move that the Idaho Board of Environmental Quality adopt as pending rules the Water Quality Standards as presented in the final proposal under Docket No. 58-0102-1502, with the exception of the proposed change to IDAPA 58.01.02.004.01, with the rules becoming final and effective upon the adjournment sine die of the Second Regular Session of the Sixty-fourth Idaho Legislature if approved by the Legislature. Guidance documents and technical memoranda are for informative purposes only and are not enforceable as a matter of law.
