Message IPDES Guidance - Comment Period and December 13 Meeting (245 KB)

Troy,

Thank you for the opportunity to comment. My only comment has to do with the word, "Engineer". The guidance presumes that the Engineer is the only professional that complete the application. Please replace the word "engineer" with "environmental professional". This does not exclude qualified individuals from completing the work.

Thanks,
Mike

Apologies for not completing the form....my suggestion applies to all cases where the word "engineer" appears.
