

## 5.4 Extended Treatment Package Systems

Revision: June 21, 2018

Table 5-3 lists ETPSs approved by DEQ for provisional use. Table 5-4 lists ETPSs approved by DEQ for general use. Provisional use approval requires that manufacturers follow specific OMM protocols to obtain general use approval (section 1.4.2.2.1). General use approval allows manufacturers' ETPS units to be installed following specific O&M protocols (section 1.4.2.2.2). Provisional and general ETPS approvals are effective as of July 1, 2016.
