Docket No. 58-0101-1801

**Negotiated Rulemaking Summary
Idaho Code § 67-5220(3)(f)**

This rulemaking has been initiated to update and clarify certain air quality permitting sections.

The Notice of Negotiated Rulemaking was published in the April 2018 issue of the Idaho Administrative Bulletin and a preliminary draft rule was made available for public review. Meetings were held on May 1 and June 12, 2018. Key information was posted on the DEQ rulemaking web page and distributed to the public. Members of the public participated in the negotiated rulemaking process by attending the meetings and by submitting written comments.

All comments received during the negotiated rulemaking process were considered by DEQ when making decisions regarding development of the rule. At the conclusion of the negotiated rulemaking process, DEQ formatted the final draft for publication as a proposed rule in the Idaho Administrative Bulletin. The negotiated rulemaking record, which includes the negotiated rule drafts, written public comments, and documents distributed during the negotiated rulemaking process, is available at www.deq.idaho.gov/58-0101-1801.
