RE: Environmental Determination for the City of Weiser Wastewater Treatment Plant
Improvements

Dear Mayor Thomas:

A draft Finding of No Significant Impact (FONSI) was issued by the Department of Environmental Quality (DEQ) on November 20, 2012 for the City of Weiser Wastewater Treatment Plant Improvements based on a careful review of the Environmental Information Document prepared by Keller Associates.

The draft FONSI was published on Wednesday, November 28, 2012 in the *Weiser Signal-American*, newspaper of record for the City of Weiser. No comments were received during the thirty (30) day public comment period following publication. Therefore, the record of decision for the City of Weiser Wastewater Treatment Plant Improvements, a FONSI, is final.

This completes the environmental review of this project. Please contact Kevin Ryan at the DEQ Boise Regional Office, (208) 373-0184 if you have questions regarding the project.

Sincerely,

A handwritten signature in blue ink that reads "Barry N. Burnell".
